Rock Roads for Saline County.

MARSHALL, Mo., March 27—

Good, hard-surfaced roads in Saline County on the Old Trails route first is an assured fact. Every township so far has been unanimously in favor of rock roads. Malta Bend special district was the last to go over the top.

How Often Should a Battery Be Charged

That is a question we are often asked "NEVER" is the answer if it is taken care of properly. But remember there are four things; viz, starter lights, horn, ignition, taking current out of your battery, while only one, your generator is putting it back in.

If your generator don't put in as much as you are drawing out the result is a starved battery. This gradually ruins the plates and therefore the battery. A little attention now and then will save expensive repairs later. Our battery man is at your service at all times.

NAUSEALESS CALOMEL

BEST MEDICINE FOR A LAZY LIVER

Calomel, the New Kind of Calomel, Does the Work Without the Slightest Unpleasantness or Danger.

You have always thought of calomel as the best and surest medicine in the world, but too nauseating for you to take. That was the old-style calomel. Now science has taken the sting out of calomel by removing its unpleasant and dangerous qualities, and has kept all its good liver-cleansing and system-purifying effects.

The next time you are bilious or constipated ask for Calomel, the new nausealess calomel. Sold only in original sealed packages, price thirty-five cents. One tablet at bedtime, with a swallow of water—that's all. No taste, no griping, no nausea, no salts. You wake up in the morning feeling fine, with direct action, your system purified, and with a hearty appetite for breakfast. Eat what you please—no danger of salivation. Your money back at any drug store if you are not perfectly delighted with Calomel. (Adv.)

How Diphtheria is Contracted. One often hears the expression, "My child caught a severe cold which developed into diphtheria" when the truth was that the cold had simply left the little one particularly susceptible to the wandering diphtheria germ. If your child has a cold when diphtheria is prevalent you should take him out of school and keep him off the street until fully recovered, as there is a hundred times more danger of his taking diphtheria when he has a cold. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted.

SON OF DR. H. E. TRUEX KILLED AT PENSECOLA

A telegram was received here by Judge Guthrie Monday night from his daughter, Mrs. X. P. Willey of St. Louis, telling of the death of E. T. Truex, son of Rev. H. E. and Mrs. Truex, at Pensacola, Fla., Monday.

A telegram account in the Tuesday morning papers say that Student Officer E. T. Truex, Ensigns Carl Wigdel and L. A. Hobbs were killed and Edwin Jesse Simpson was injured in a Collision of two sea planes at the Naval air station in Pensacola.

Truex was the oldest son of Rev. H. E. Truex, who was the pastor of the Mexico Baptist church until about eight years ago when he went to St. Louis. Rev. Truex's first wife was Miss Perry of Platt County, Mo. She was the mother of E. T. Truex and died while her husband held the pastorate here. She was buried in the Elmwood Cemetery. Rev. Truex was later married to Miss Emma Johnson daughter of Mrs. A. L. Carter.

E. T. was reared to young manhood in Mexico, he attended the McMillan High School and later was graduated from William Jewell College at Liberty, Mo. He had been attending the officers training school in the naval aviation, and was making good according to his father, who was in Mexico just a few days ago. He was a young man of exceptional mind, high moral ideals, a splendid character and lovable nature. He was about 22 years old.

The body will be brought to Mexico within the next few days and laid to rest besides his mother. It is not possible to give the time of the funeral at present as it is not known when the body will arrive here. The time of the funeral will be announced later.

A telegram was first sent to Judge and Mrs. Carter who were out of the city.

The Ledger joins them many friends in extending the hand of sympathy to the sorrowing father and other relatives of this splendid young man who has given up his life for his country.

Was to Be Discharged. In an interview with Dr. Truex the Globe-Democrat says:

Dr. H. E. Truex, father of the dead aviator, said Monday night that his son would have received his discharge in two weeks and at the same time would have been commissioned lieutenant in the naval reserve.

Truex enlisted September 1, 1918, and received his preliminary training at Minneapolis. He took his courses in flying at Miami, Fla., and was then sent to Pensacola to complete his training. Before enlisting he was an assistant for a year at the exemption board of the Sixth Ward.

Truex was a graduate of Central High School and of William Jewell College, Liberty, Mo. At the latter institution he completed the four-year course in three years. Besides his father, who is secretary of the Missouri Baptist General Association, he is survived by his step-mother, a sister and a brother.
